

Committee/Work Group Sign Up

We are always looking for volunteers who are willing to give of their time to serve on our local committees or workgroups. If you have an interest in serving, please let us know where you would like to serve. Please refer to the short descriptions below.

Community Service – Plans and coordinates events and charity fundraisers throughout the year. Including our Annual Charity Golf Tournament, volunteering at Soup Kitchen, Christmas for Children and more.

Governmental Affairs/RPAC – Monitors local and state governmental activities. Coordinates and conducts candidates' screening interviews and coordinates the annual RPAC fundraiser.

Program/Education – Plans and coordinates programs for membership meetings and coordinates educational offerings for members to enhance their skills and professionalism.

Housing Opportunity – Works with local governmental agencies in promoting education and enhancing opportunities for homeownership. This committee also provides educational programs to acquaint REALTORS® with assistance programs available and to create a positive public position within the community to provide equal housing for all.

Grievance/Professional Standards* - The Spartanburg Association signed into the Statewide Professional Standards Cooperative Agreement in 2015. By agreeing to participate in the Statewide cooperative, our Association refers all ethics complaints and arbitration requests to SCR. Individuals selected to serve are required to carry out the duties and procedures outlined in the NAR REALTOR® Code of Ethics and Arbitration manual and SCR policies. Certain criteria is required to be eligible for either of these two committees.

Diversity, Equity, and Inclusion - Promotes and encourages positive inclusive behavior and ensures that everyone receives fair treatment and equal access to resources opportunities and successes.

Public Relations - Works with other committees within the Association in promoting a positive REALTOR® image and value of REALTORS® to the public through all types of media.

Technology - Develop and update the SAR website and address other technology requirements of the Association.
