

Committee/Work Group Sign Up

We are always looking for member volunteers willing to give their time to serve the association. If you have an interest in serving, please let us know which committee/work group you would like to be considered to serve. Please refer to the short committee/work group descriptions below.

Community Service – Plans and coordinates events and charity fundraisers throughout the year. Including our Annual Charity Golf Tournament, volunteering at Soup Kitchen, Christmas for Children and more.

Governmental Affairs/RPAC – Monitors local and state governmental activities. Coordinates and conducts candidates' screening interviews and coordinates the annual RPAC fundraiser.

Program/Education – Plans and coordinates programs for membership meetings and coordinates educational offerings for members to enhance their skills and professionalism.

Diversity, Equity & Inclusion (DEI)/Housing Opportunity – Promotes and encourages positive inclusive behavior that everyone receives fair treatment and equal opportunities. Works with local governmental agencies in promoting education and enhancing opportunities for homeownership. This committee also provides educational programs to acquaint REALTORS® with assistance programs available and to create a positive public position within the community to provide equal housing for all.

Grievance/Professional Standards* - The Spartanburg Association is part of the Statewide Professional Standards Cooperative Agreement. By agreeing to participate in the Statewide cooperative, our Association refers all ethics complaints and arbitration requests to South Carolina Association of REALTORS® (SCR). Individuals selected to serve are required to carry out the duties and procedures outlined in the National Association of REALTOR® (NAR) Code of Ethics and Arbitration manual and SCR policies. Certain criteria are required to be eligible for either of these two committees.

Member/Public Relations - Works with other committees within the Association to help our members promote a positive REALTOR® image and value of REALTORS® to the public through all types of media.

If you have an interest in serving, please complete the information below and return it to the Association office to jodi@spartanburgrealtors.com.
